

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tiresome it will really be to tidy up your house right after throwing a large party, with no assistance from cleaning equipment. In the past, when carpets and upholstery had the dust beat out of them manually; brushes, brooms and cleaning cloths were the best cleaning supplies back then.

P.A. Fisker, the man who founded Nilfisk-Advance, was actually an electrical engineer who really loved working with electrical motors. Establishing the business in 1906, he began to produce motors to drive drills, fans, machine tools and coffee grinders. Mr. Fisker's dream from the beginning was to have a worldwide business selling products globally.

The Nilfisk C1 was a remarkable breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed just 17.5 kilos and could be operated by one person. This invention came in a time where many cleaning equipment were huge and needed at least 4 operators, therefore, the Nilfisk C1 changed everything and evolved the method we clean forever. The brain behind these first cleaning machines remains unparalleled. Cleaning machines offer a brilliant solution to an existing problem; things get filthy and should be cleaned frequently, without too much effort.

Slowly, the company Nilfisk-Advance developed all through the years. In the the early part of the nineteen eighties the company expanded fast when the business became a part of the NKT Group. With new owners on board, they concentrated on driving Nilfisk-Advance ahead within the industry, aspiring to be an active global player in manufacturing professional cleaning equipment. Nilfisk-Advance is presently located in all parts of the world due to gradually acquiring a lot of small companies so as to develop their product selection and presence in new markets. They are proud to provide a range of cleaning solutions to fit every requirement.
